Barracudas vs Harbour Tidel

The next swim meet is this Saturday, June 2nd against Harbor Tide. Swimmers need to check in at 6:45 AM. Remember every swimmer is required to check in with the coaches.

On Saturday there will NOT be any parking at the pool. The parking lot in front of the pool is for drop-offs and pickups only. Everyone will need to park at Ferguson Elementary. All tents must be placed OUTSIDE the fenced area of the pool.

Make sure and regularly check the Barracuda website for updates!

Please Note:

It is important to show up for all swim events that a Barracuda is signed up to swim. This is particularly true in the case of relays. A Barracuda that leaves early or does not show up for a relay results in the relay being disqualified. This is very discouraging for the other members of the relay who have stayed to swim this event.

Please be watching your email for requests to volunteer at the next swim meet at Harbor Tide! If you want to help email Angie Abner at abners3@yahoo.com
